CURRICULAR ASPECTS	
1.1 - Curriculum Design and Development	
1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.	
Response:	
<ul style="list-style-type: none"> The curriculum is designed keeping in mind the developmental needs of the society and also in congruence with the guidelines proposed by the UGC, the parent University Palamuru University and the Telangana State Council for Higher Education. Through the inclusion of alumnae, 	

industrialists and subject experts in Board of Studies and Academic Council, interaction with members of the local communities through outreach programmes and market need assessment by faculties, the college assesses the local, regional, national, and global needs of the society.

- The whole process of need identification is carried out by the departments in adherence to the common pattern prescribed by the college. Based on the nature, relevance and requirements of needs to be addressed, the Curriculum Development Cell prepares the Programme Outcomes (POs) while the departments prepare Programme Specific Outcomes (PSOs) and Course Outcomes (COs) for UG Programmes.
- The special features of the school system such as Self-finance courses, Interdisciplinary courses, Mandatory internship and Project work, Skill Based Electives, Core Electives, choices in core subjects in select departments and extra credit courses ensure that the curriculum stays relevant and meets the dynamic needs of the society at large.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

Response :

- In order to have a better convergence of various disciplines, greater academic flexibility is envisaged at the institutional and the departmental levels. At the institutional level, common courses on Environmental Studies, Human Values & Professional Ethics, Gender Sensitization, Indian Heritage & Culture, Science and Civilization and Formation of Youth provide a holistic view of cross-cutting issues to enable students imbibe these values.
- To foster the concepts of Basics of computer skills, is included in Computer Literacy which is a common course for all I, II UG students. The college also conducts a curriculum embedded two-credit Soft Skills programme for UG. The Soft Skill course is embedded with the curriculum and taught during the regular classes.
- Besides, the college offers a Community Work-Outreach programme to share and practice what the students have learnt in the classrooms.
- The college organizes a variety of activities at institutional and departmental levels to complement the cross-cutting issues discussed in the classroom. Communal Harmony Campaign, AIDS Awareness Day, Green Consumers' Day, International Women's Day, Human Rights Rally and Inter Departmental Cultural Competition for Women are a few of these activities.

2.2 - Catering to Student Diversity	
2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.	
Response:	
<ul style="list-style-type: none"> Craving for providing the best quality in education, based on students' capacities, academics are deliberately structuring and adopting pedagogies in teaching. The institution's teaching and learning process cater to 	

advanced learners and slow learners to achieve their goals. Various calibrates are embraced to categorize the students and assist them in learning-Orientation and induction programs organized for the entrants at the beginning of every academic year, acclimatizing them to the institution. There are oriented on the academic rules and regulations, library facilities various co-curricular and extracurricular activities that facilitate students' holistic development. A department-level orientation is also given to enable the students to understand the course curriculum and career options.

- The learning levels of the students are assessed based on their academic performance in the higher secondary examination, classroom interaction, and participation in activities. The department of English conducts bridge courses to help the students from vernacular medium to make a smooth transition to English medium. The department of mathematics conducts bridge courses to teach the basic concepts of mathematics to non-mathematics students. Like History, Economics, Journalism, etc., the other Departments conduct bridge courses for non-Arts students.

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

Response:

- Information and Communication Technology has become an integral part of the teaching, learning, and evaluative process at MVS Government Arts and Science College (A). Faculty Development Programmes (FDP) are conducted to train the teachers to effectively use the ICT tools in the classroom. Lessons are taught through online mode this year due to the COVID pandemic situation to make learning interesting besides oral presenting methods. Faculty adopts for teaching through Google Classroom regularly, an online learning platform for the faculty and students for teaching and learning. Teachers' constant interaction with the students at any time and anywhere through this tool is viable. Learning materials, video lessons, and other resources related to the course content are posted in the Google classroom. In response, students use this application to submit assignments, seminars in video form, and other activity reports. The teachers also use it to create interactive learning exercises, including multiple-choice questions, crosswords, cloze tests, and puzzles.

E-Resources:

- The college is a member of N-List, where students can access a digital collection of journals and articles related to their research topic. CDs of live lectures of eminent professors from institutions of repute viz. IITs are available in the college library.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

Response: Outcome-Based Education (OBE), a student-centered learning model implemented in 2016, gives prominence to what should be attained by the students to complete the programs. The teacher and the learner clearly understand the objectives to be achieved at each level, leading to the students' progression. The Programme Outcomes (POs) and Course Outcomes (COs) are derived from achieving Graduate Attributes that help attain the college's vision and mission. Program Specific Objectives and Programme

Outcomes (PEOs) are framed based on the skills, affective, and knowledge the student is expected to achieve in the respective programs. Course Outcomes are designed based on the knowledge student is expected to gain and the ability to apply the knowledge gained at the end of a particular course.

Mechanism of Communication:

The Graduate Attributes of the institution are disseminated through the College website, Management Information System, and display boards in prominent places. The details of PSOs, POs, and COs are communicated to the faculty members by the Heads in the department meetings.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Response: The college offers various programs with clearly defined outcomes. Program Specific Objectives (PSOs), Programme Outcomes (POs), and Course Outcomes (COs) are related to each other. After completing a three-year degree course, students achieved program outcomes. Program-specific outcomes are validated by a systematic process of collecting and evaluating data on Programme Outcomes and Course Outcomes. The calculation of the level of attainment of Programme Outcomes is done by mapping the CO and PO matrix.

Method of measuring attainment of Cos: The Course Outcomes are stated in the syllabus of each course. Allied subjects are also presented with appropriate Course Outcomes. Course Outcome measurement is made through direct and indirect methods. The measurement of Course Outcome using the direct method is derived from the marks scored by students in assignment, activity, seminar, Internal I, II, and end-semester examinations.

Direct Method:

The instructors of the courses become familiar with the courses' objectives. The questions are leveled appropriately. Bloom's

taxonomy of cognitive abilities: (mental abilities -Knowledge), Affective: a boost in one's emotions. Psychomotor and physical abilities necessary for internal and end-of-semester exams.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Response: Gender Equity and Sensitization: MVS College of Arts and Science provides a safe and secure environment for both the genders. The college has Gender Equality Policy to ensure parity between men and women. With the aim of establishing an amicable ambience an action plan is prepared every year. **Curriculum:** The curriculum is designed to inculcate values in students. 'Value Education', based topics in languages offered in the first year, teaches the importance of human values and instils social responsibility among students. **Co-curricular Activities:** Girl students are encouraged by the mentors to take part in various activities and competitions. Every year, Women Empowerment Cell organizes a number of awareness programmes, workshops and competitions which help the girl students realize their potential.

Safety and Security:

- Safety and Security is assured in the campus 24/7.
- Gender sensitization programs are held to orient girls.
- SAKHI Centre and Anti Ragging committee ensures to see that freshers are welcomed into the MVSGDC(A) family without any hitches.

Counselling:

- Counselling grooms and builds confidence in the students. Faculty members, trainers, Police She Team and doctors help the students to manage interpersonal and intrapersonal

relationships, improve communication, gain positive attitude towards life, set goals, show progress and acquire resilience.
