We have created a WhatsApp group to provide updates and information regarding visits to the schools for robotics training. Apart from the students, this WhatsApp group also includes faculty members from your college.

A Note About the School Visits

The schools are distributed across various geographical locations. Most of the training happens in the schools from 9 am to 4.30 pm. Reporting time is usually 8.45 am. Depending on the distance from their homes, the interns plan their travel. Some of our schools are located in the nearby villages/districts. To such places we have to start early in the morning and may return late in the evening. In such cases, we arrange a bus to travel to and from. All such information is published in the WhatsApp group mentioned above.

Training Opportunities Availed by Students

I am also happy to inform you that 19 of the interns have taken the opportunity to teach robotics in 21 Government High schools in the Mahabubnagar District. In return we compensated each of the students with a stipend of Rs 1200 per intern for training students at each of the schools.

The following is the list of the students who availed the opportunity and the stipend they were paid.

#	Name of the Intern	# of schools	Stipend Paid
1	Cherla Venkatesh	5	₹6000
2	Kammari Kalyan kumar	5	₹6000
3	Rathlavath Sangeetha	5	₹6000

Robotics In Academics
Soham Academy of Human Excellence

About Robotics in Academics

Robotics in Academics is a year long program, aiming to promote innovation among schools and colleges. As of today, we are running our robotics program in 320+ government schools in 16 Districts of Telangana. To date, we have trained over 52000+ students. We organized several exhibitions and innovative programs that resulted in demonstration of over a 1000+ innovative projects from schools. To know more about our program, please visit our website ria.sohamacademy.org.

We will be more than happy to answer any of your questions regarding our robotics training program. Please feel free to reach out to us at +91-97009-02203

Acknowledgement of Receipt of Robotics Kits

Name of the Institution : MVS Government Arts & Science College (A)

Address : Christian pally

Name of the Head Master/Head Mistress : Dr. K. Padmarathi 9542696721

Name of the Robotics Club Incharge : S. Madavilatha 9573847947

We have received both the Practical and Advanced Robotics Kit delivered by Soham Academy of Human Excellence, on 23rd Dec, 2023. The practical robotics training program was conducted on 23rd Dec, 2023. The training program and the kits were sponsored by NTT DATA.

Following are the guidelines to be followed in using the kits at the Institution..

1. The Institution shall preserve the robotics kit in an appropriate location such as the library/laboratory in a safe and neat condition.
2. The kits shall be made available to the students for their active participation in the Soham Robotics Club meets as well as for their own practice and further training.
3. The Institution has verified that all the items mentioned in Annexure - 1 are received by the Institution.
4. The Institution shall inform the management of Soham Academy if there is any damage or malfunction of the components present in the kit. Soham Academy, at its discretion, will attempt to replace the items.
5. The robotics kits are given to the Institution with the expectation that the Institution will actively participate in the club activities. If there is no active participation, Soham Academy may withdraw the kits from the Institution for giving to other Institutions.
