ACTION TAKEN REPORT FOR THE AY: 2023-2024

Prepared by: IQAC (Internal Quality Assurance Cell)

Based on the feedback received from various stakeholders, including students, parents, and alumni, several actions were initiated during the academic year 2023-2024. This report summarizes the key measures taken and the outcomes achieved.

Key Actions Taken:

1. Development and Dissemination of E-Content:

- ✚ Faculty members developed e-content for their respective subjects to enhance the teaching-learning experience.
- ✚ These educational videos were uploaded to the institutional website and shared via student social media groups to ensure wide accessibility.

2. Improvement in Teaching-Learning Processes:

- ✚ Identified challenges in the teaching-learning environment were addressed through enhanced teaching strategies and collaborative problem-solving among faculty.

3. Parent-Teacher Meetings:

- ✚ Based on feedback analysis, parent-teacher meetings were conducted in both offline and online modes (via Zoom).
- ✚ These meetings enabled parents to actively participate in decision-making processes, strengthening the institution's stakeholder engagement.

4. Feedback Collection and Analysis:

- ✚ Feedback was systematically collected from students, parents, and alumni using Google Forms.

- ✚ The collected feedback was thoroughly analyzed, and recommendations were made to improve institutional practices.

5. Recommendations and Actions:

- ✚ The IQAC provided actionable recommendations to departments and faculty based on the feedback analysis.

Course of Action Suggested:

1. Syllabus Revision (2024):

- ✚ Certain feedback-based suggestions will be considered during the next syllabus revision cycle in 2024.
- ✚ Departments will deliberate on incorporating these suggestions after consulting with alumni and industry experts.

2. Immediate Implementation (2023-2024):

- ✚ Suggestions that can be implemented at the classroom level have been initiated, including:
 - ✚ Adding supplementary inputs and reference materials for students.
 - ✚ Organizing guest lectures to provide exposure to current developments.
 - ✚ Incorporating insights gathered from conferences and professional networking into teaching plans.
 - ✚ Including visits and experiential learning activities in the teaching process.

Conclusion:

The above initiatives reflect the institution's commitment to continuous improvement through stakeholder feedback. The collaborative efforts of faculty, parents, and other stakeholders have enhanced the academic environment and prepared the foundation for future curriculum development.
