

MVS GOVERNMENT ARTS & SCIENCE COLLEGE (A), MAHABUBNAGAR

4.1. Physical Facilities

Institution: Government Degree College (A), Mahabub Nagar was established in the year 1965 at Mahabub Nagar town and It's an honour to have completed 55 glorious years of relentless service to the society. This abode of learning is situated in the prime locality of Mahabub Nagar on a sprawling area of 37.6 acres and a remarkable built up area of 15 acres. The institution is equipped with outstanding infrastructure which facilitates and enhances effective teaching and learning process. The institution boasts an upgraded administrative block for the smooth functioning of the institution, and also numerous academic blocks with sufficient number of classrooms, staff rooms and laboratories. The classrooms are strengthened with I.C.T and digital technology for an impactful learning experience. Most importantly, the college has adequate upgraded laboratories with due safety and security measures to consolidate epistemology with practical skill. The Classrooms and laboratories are well ventilated, furnished and properly lit. In addition, there are seminar halls (including seminar libraries), a Virtual class room and a language lab that enriches learning experience thus making it rejoiceful.

UG/PG Labs: The labs are indispensable to provide hands on experience to students, so that they can assimilate the theory and groom their research aptitude. The labs in this college are copacetic and includes the following:

1. Physics Labs- 4(UG).
2. Chemistry Labs- 7(UG and PG) one research lab
3. Botany Labs-2(UG), 2(PG)
4. Biochemistry Labs-1(UG)
5. Biotechnology Labs-1(UG)
6. Zoology Labs-2(UG)
7. Microbiology Labs-1(UG)
8. Computer labs-4 (UG)

Computer Labs: The institution has 4 computer labs equipped with 196 computers. These computer labs are furnished with chilled air-conditioning, reliable UPS facilities and blazing speed internet connectivities. This being mentioned, it also boasts a state-of-the-art virtual class room which integrates the best of digital and real learning experiences. These allow the students to monitor and manage their own learning, inculcate critical thinking and problem solving to meet the challenges of real world problems.

Projectors: 10 LCD projectors are functional in various class rooms to catalyze teaching-learning experience and to make the students enthusiastic towards mastering the subject.

Botanical Garden: In addition to the traditional plants, the garden is treasured with rare, endangered, medicinal and ornamental plant species.

Plant Nursery: Many ornamental and avenue plants are part of the gardens .

Hostels: The college has separate hostels for men & women and they accommodate over 900 students of both UG and PG courses in the premises of the campus. The hostel rooms are allotted on shared basis and provide immaculate dormitories, hygienic food and good recreation facilities. Besides, outside the campus, there is a private management hostel for women students at a nominal fee.

4.1.1 Additional Input

S. No	Block Name	No of Class rooms
1	Class rooms	40
2	Staff rooms	03
3	Laboratories	20
4	Comp.Laboratories	04
5	TSKC Lab	01
6	Museums	02
7	Botanical Garden	01
8	Central Library	01
9	Reading Room	01
10	Reference Room	01
11	Seminar Hall	01
12	MANA TV Room	01
13	Indore Games + Store	01
