Health and Hygiene Club

Health education plays an important role in the community hygiene. To prevent illness and have positive health attitude, correct and complete knowledge of health is necessary. Health is cleanliness and cleanliness is one of the main defenses against diseases, whether contagious or self-generated. Hygiene is a set of practices performed to preserve health. According to the World Health Organization (WHO), “Hygiene refers to conditions and practices that helps to maintain health and prevent the spread of diseases”. Personal hygiene refers to maintaining the body's cleanliness. Maintaining cleanliness is also important for our self-confidence, physical and emotional well-being.

Health education plays an important role in the field of education. To prevent illness and have positive health attitude, correct and complete knowledge of health is necessary. The Importance of Good Personal Hygiene is necessary for many reasons: personal, social, psychological or simply as a way of life. Keeping a good standard of hygiene helps to prevent the development and spread of infections, illnesses and odour.

THE OBJECTIVES OF HEALTH AND HYGIENE CLUB ARE:

- To create awareness about the health status of the members of the staff and students in the campus.
- To provide counseling for the various health problems of the respondents by a team of doctors.
 - To promote awareness about food safety.

IMPORTANCE OF GOOD HYGIENE

One personal benefit of good hygiene is having better health. Keeping our body clean helps to prevent illness and infection from bacteria or viruses. For example, the simple act of washing our hands regularly is an effective way to keep germs from spreading. The Importance of Good Personal Hygiene is necessary for many reasons; personal, social, health, psychological or simply as a way of life. Keeping a good standard of hygiene helps to prevent the development and spread of infections, illnesses and bad odors.

GOOD PERSONAL HYGIENE HABITS INCLUDE

- Washing the body often.
- Cleaning the teeth at least once a day.
- Washing the hair with soap or shampoo at least once a week.
- Washing hands with soap after going to the toilet.
