ACTION TAKEN REPORT FOR THE AY: 2021-2022

A number of meetings were organized by the IQAC based on feedback received from different stakeholders. A detailed plan was prepared to address the major issues. The following report is based on the action taken on the feedback.

- ✚ During the COVID-19 pandemic situations, all the faculty members developed e-content in their respective subjects and these videos were uploaded in the website and also sent by other social media groups of students.
- ✚ We solved many problems in teaching- learning process through online mode
- ✚ Based on the analysis of feedback parent-teacher meetings were organized in the majority of the departments through online mode (Zoom meetings). The parents thus became part of our decision-making body at the institution.
- ✚ All types of feedbacks collected & analyzed from google forms due to COVID-19.
- ✚ The IQAC has made recommendations in the Action Taken Report from the feedback report to be shared with departments and teachers. The following course of action has

been

suggested:

- ✚ Certain suggestions can only be incorporated in the next syllabus revision which is due in 2022. It has been resolved that each department deliberates on the inclusion of suggestions after taking expert opinion from alumni and industry.
- ✚ Suggestions that can be initiated from the year 2021-2022 at the classroom level, in terms of added inputs, reference assignments for students, guest lectures, and inclusion of latest information gathered from networking and conferences by the teachers to be discussed with students and visits to be included in teaching plan and action.
