Title of the practice :-

Giving career Guidance :-

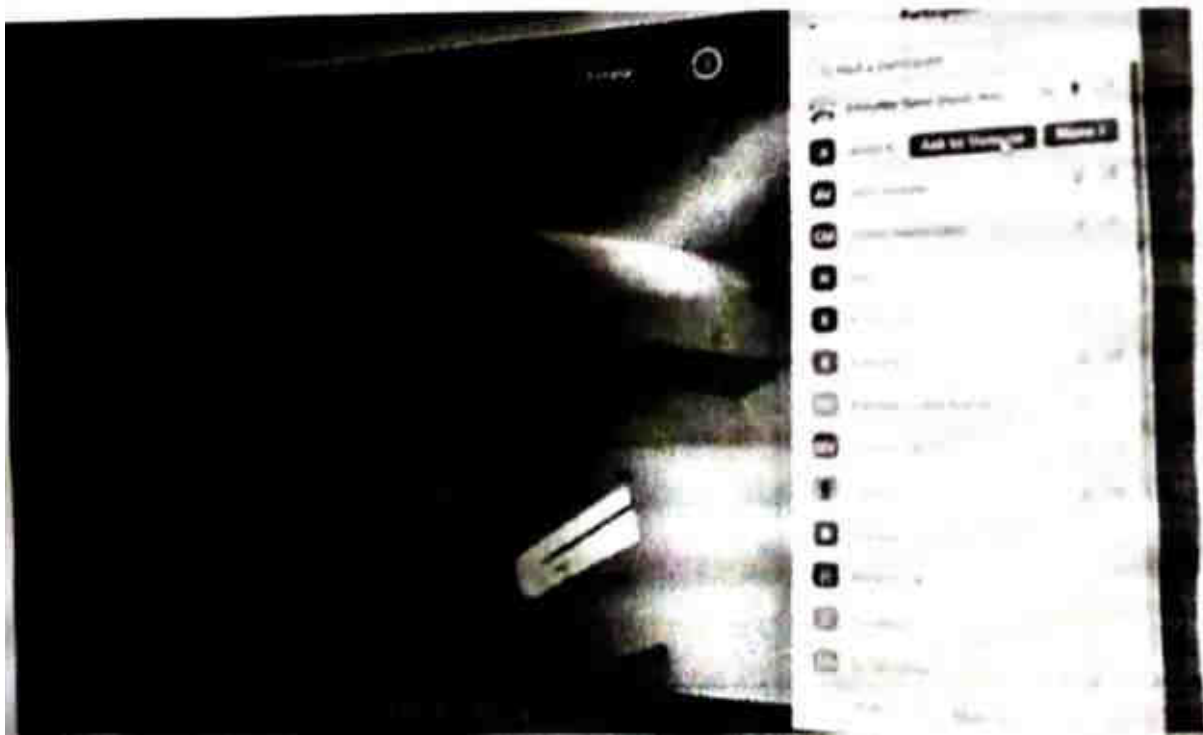

Objectives :-

- It develops positive attitudes towards study & work
- for students to evaluate their own strengths & to build on their own areas for development & also helps students fully engaged in career planning
- for students to understand & - to develop the skills that are required to be successful in their future pathway

Practice :-

- Different possible routes after completion of degree is clearly discussed with the student
- Evidence of success :-

Competitive Exam Coaching classes

organise career Guidance program on

05/12/2021

Career planning consists of activities of actions
It is the way of which one can achieve goals
and ambitions successfully. It is a vision.
It is a difference between success and
failure

Business management, as a career deals
with managing and overlooking all
the major aspects of business. Basically
its all about a business in run right
from the lowest level to the highest level

Importance of career guidance

- TO attract and retain right type of person in organisation
- Long term involvement of employees
- ~~long term~~ Entrepreneurship programs
- Encourage employees to fulfill their potentials.
