Social Bonding through community service

24/4/2024

Joy of sharing :-

Little of the practice :-
visiting to orphanage home as a part
of social service

objectives :-

- * The main objective of the orphanage is to create a positive loving environment in which the often abandoned & neglected children feel at home & cared for, as a basis for social & professional development
- * It helps to better our community
it also helps to better one to
create better individual

practice :-

- * selecting & visiting red cross society orphanage home
- * interacting with the children & distribution of some basic needs of
